This rulemaking implements SB 730 (Stats. 2007 Ch. 438) by establishing two-year license application fees for gambling establishments, key employees, providers of Third-Party Proposition Player Services ("TPPS") and gambling businesses, as those terms are defined in Business and Professions Code section 19805. The rulemaking also moves all fees into a single section, changes them according to the new term of the license (in most cases doubling them to account for the doubling of the term) and deletes obsolete language from the regulations.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 11/2/2008.
